SUPREME OFFICERS GUESTS OF LOCAL W. B. A. REVIEW

National Pageant Director
And Regional Director At-
tend Meet Here Tuesday

Mrs. Jennie M. Little of Ohio, supreme pageant director, and Mrs. Pearl Croy of Birmingham, supreme regional director, in company with Mrs. Fay Argueaux, of Biloxi, district deputy and her sister, Miss Lillian Argueaux, were guests Tuesday night of the Bay St. Louis Review of Women's Benefit Association at a special meeting held in the W. B. A. den. A large attendance of the members were present to enjoy the address by these distinguished visitors.

Mrs. Little who is said to have directed 23 pageants since 1924, culminating in the great pageant at Atlantic City in June this year where 4,500 people participated, is planning to present a pageant at Biloxi in January under the auspices of the W. B. A., requested the members of the Bay St. Louis Review to participate and received good support in her request, many pledging to take part. The members of the three Coast Reviews will present the pageant.

At this meeting Miss Lucille St. Amant was appointed junior supervisor for the local review succeeding Mrs. Vincent Piazza.

Mrs. Croy, who is well known here where she often visits the Review, made a donation for the den, presenting a sufficient sum to purchase a chair.

After the business session delicious refreshments were served.

ROAD COMMISSION IN AGREEMENT WITH SUPERVISORS

Joint Meeting Called By
Bay St. Louis Commission-
ers Results In Satisfac-
tion.

Friday morning of last week the joint meeting of the Road Protection commission, county board of supervisors and Bay St. Louis commissioners was held, this meeting having been called earlier in the week by the county commissioners to request the two cooperating boards to agree to take over and pay from the county gasoline tax funds the interest and bonds due for the Bay St. Louis city seawall.

The board of supervisors had at a meeting last week expressed agreement to meet the request of the city providing the road protection commission approved and at the general meeting that board approved, hence the tax payers of Bay St. Louis will be relieved of paying these bonds by ad valorem taxes this year, the payments due to be taken care of from the gasoline tax funds.

TWO DONATIONS ACKNOWLEDGED FOR HOSPITAL

Total Contributions for Hos-
pital Building Fund Now
Equals \$1281.

Two donations are acknowledged this week for the building fund of the King's Daughters Emergency hospital building, namely, one of \$25 and one of \$5, each listed, from a friend, the donors wishing to withhold their names. The total donations are now \$1281.

Mrs. A. F. Fournier, president of the Bay St. Louis Circle of King's Daughters and Sons, who is acting as special treasurer for this fund, urges all friends of the hospital to send their donations, in whether they be large or small.

ADDRESSES TO BE PLACED IN PHONE DIRECTORIES NOW

George R. Rea, President
Chamber of Commerce,
Secures This Courtesy
For City

The new telephone directories will carry not only the names and streets of subscribers but will also contain the numbers of the houses, and will thus become a complete address directory of those who use the phones.

This courtesy results as the work of George R. Rea, president of the Bay St. Louis Chamber of Commerce, who took the matter up offhandedly with the phone officials, the local manager receiving confirmation of the request.

IS RECUPERATING

Mrs. Watson John of Summit, N. C., who is the guest of her sister, Mrs. Eugenia Ramond of State street, and who was taken ill and underwent an operation at the King's Daughters Emergency hospital here last week, was able to be taken to her sister's home last Saturday and is recuperating. Upon her recovery she plans to return to her home.

INSURANCE WRITERS MEETING

Monthly Meeting of Gulf
Coast Underwriters Asso-
ciation Held At Hotel
Weston

The October meeting of the Gulf Coast Underwriters Association was held Tuesday at the Hotel Weston at which time a dinner meeting was followed by the usual business session at which Eugene Perench of Biloxi, president, presided, and at which George Kirkland of Gulfport, secretary, served in his official capacity. This is the second meeting to have been held in Bay St. Louis since the organization of the association.

The Hotel Markham was chosen for the November meeting of the organization. Rates and permits were discussed, always relative to the good of the people who buy insurance, the agents striving to determine the best results for their clients.

A matter of particular interest was brought up at this meeting. It was pointed out that in Biloxi the matter was brought to the attention of Mayor John Kennedy by the insurance agents, the great damage which would result if one of the gasoline delivery wagons carrying 500 gallons of gasoline, should have some accident on Wardway or other congested street, overturning or otherwise releasing the gasoline from the tank. The potential destructive power of such an accident would be great as the inflammable substance would be a fire hazard. It was reported that after this matter was discussed with Mayor Kennedy he made arrangements to keep such trucks from the main streets and thus protect property from a possible fire. The agents Tuesday night decided to bring this matter to the attention of the officials of the several Coast cities.

George R. Rea, president of the Bay St. Louis Chamber of Commerce, and an insurance agent, stated he would present the matter to the Chamber of Commerce requesting that body to discuss the matter with Mayor Chas. Traub, Sr. It was shown that recently the insurance rates in Mississippi have been reduced because the people of the state have had less fire than formerly. All insurance agents were asked to do everything possible to prevent fire hazards and eliminate causes of fires.

MOTOR 7500 MILES TO PORTLAND AND RETURN TO COAST

Mrs. A. K. Roy and Children
Enjoy Wonderful Trip To
Western Coast and
Return

A wonderful motor trip to Portland, Ore., and return to the Mississippi Gulf Coast, was enjoyed by Mrs. A. K. Roy and children who returned recently from the west. They motored to the west for the third summer months to join Mr. Roy whose business kept him there during the summer. Mr. Roy did not return by motor with the family, but has since arrived by rail.

This was the first motor trip of Mrs. Roy and children into the mountains and they enjoyed every part of it, especially the mountain driving, even when the grades were very steep. They went west over the Old Spanish Trail, crossing the desert into Southern California and thence up the Coast and through California into Oregon. "California was delightful," said Mrs. Roy.

"Oregon is beautiful and Portland is a lovely city," she said. "Oregon exceeds California in beauty to my mind," she said. Throughout the summer the weather was delightful, with no rain and cool enough for fires daily.

The return homeward was through Denver, St. Louis and Kansas City. The visit to the petrified forest was one which will never be forgotten, Mrs. Roy said, remarking on the wonderful formations there. She enjoyed the wheat fields where the harvest was in progress. Trucking and as she neared the South cotton, fascinated and thrilled all.

The trip westward was 3,800 miles and homeward was 3,700 making a total for the summer trip of 7,500 miles. There was no car trouble and all accommodations along the road were pleasant and agreeable. They averaged 350 miles daily.

DEATH OF MRS. E. F. BOBAD

The death of Mrs. Eugene F. Bobad, property owner and former resident of Bay St. Louis, in Main street, which occurred in New Orleans Tuesday afternoon is noted with regret. Mrs. Bobad is survived by her husband. The funeral took place in that city Wednesday morning, with interment in Greenwood cemetery. The deceased was a native of New Orleans and was 61 years of age at the time of her death. The couple formerly resided here in the interest of Mr. Bobad's health.

GIRLS ORGANIZE BASKETBALL TEAM, SOLICIT GAMES

Large Number of Girl Play-
ers are Practicing Regular-
ly and "Getting in Form"

A large number of girls and young women of Bay St. Louis have organized an independent basketball team, the name of which has not yet been chosen. These girls are practicing regularly under the direction of their coach, Miss Mary Perkins, and are rapidly "getting in form." The team solicits games with any girls teams which desire to play them and will be ready for play in about two weeks. Miss Mary Bourgeois is business manager and anyone desiring games or wishing to join the team should communicate with her.

There have been two captains chosen, namely, Misses Virginia Chapman and Katherine Erwin, who will jointly captain the team. Among those who are out for practice are the following, many of them former stars of local school teams: Misses Virginia Chapman, Katherine Erwin, Yvonne Tremoulet, Mary Bourgeois, Helen Chapman, Beatrice Smith, Hazel Kergosien, Ruth Lloyd, Barbara Sick, Irene Koch, Lois Quinn, Mesdames Wallace Bontemps and Walter Gex, Jr.

ZONE MEETING AT PEARLINGTON IS ATTENDED BY MANY

Five From Bay St. Louis
Motor To Pearlington for
All Day Meet Tuesday

The Woman's Missionary Society of the Seashore district of the Methodist church held the quarterly zone meeting Tuesday of this week at Pearlington with a goodly attendance from the greater number of the churches of the district.

Five from Bay St. Louis motored to Pearlington to attend the meeting, namely: Mrs. C. M. Shipp, Mrs. Alexander Allison, Mrs. E. S. Drake, Mrs. A. W. Johnson and Mrs. Jenks. All report a particularly enjoyable day with an inspirational meeting resulting.

Mrs. Daisy of Biloxi, zone president, was in charge of the meeting. This was the first meeting to be held at Pearlington and was for the purpose primarily of organizing a society there. This new organization was effected and promises to be an active unit.

The next zone meeting will be held at the Wesley House, Biloxi, next quarter.

LEAVING TUESDAY FOR CONVENTION

Mrs. A. F. Fournier, state vice-president; Mrs. E. J. Leonard, Mrs. Mary Montgomery of Bay St. Louis, and Mrs. George E. Carley of Gulfport, are leaving Tuesday morning by motor for Louisville, where they will attend the state meeting of the International Order of King's Daughters and Sons which convenes there October 22, 23, and 24, the first meeting falling Tuesday night. The three Bay St. Louis ladies are official delegates from the local organization. Among the fine work to be reported by this group for the Bay St. Louis circle is the Emergency Hospital and the building fund for the new hospital.

COLUMBUS FESTIVAL OBSERVED

Pere Le Duc Council Knights
Of Columbus Entertained
With Enjoyable Affair

Pere Le Duc Council No. 1522, Knights of Columbus, observed Columbus Day Saturday with a festival at St. Stanislaus College grounds from 5 to 10 o'clock. This festival was given as a benefit for the building fund of the local council.

A good attendance was present for the frolic and various games were played, the children especially participating in a variety of games for which prizes were awarded.

An active committee from the council had charge of all arrangements for the festival.

NEW OIL STATION FOR TEXAS OIL CO. NEARING COMPLETION

Building Corner Ulman and
Second to Be Completed
For November 1, Says
Contractor

Considerable headway is noted in the construction of the new filling station for the Texas Oil Co., corner Ulman avenue and Second street. Contractor Miller, of Jeff Davis avenue, Waveland, has the contract and is making rapid headway in building.

Jos. L. Favre & Son have the contract for all the cement, driveways and sidewalks, while all material is furnished by C. C. McDonald, featuring Star cement.

This building is typical of the newer and more ornamental stations and has unusually large parking and driveway space. Contractor Miller says at the present rate he will easily have the job ready on or before November 1st.

A. J. McLEOD SERIOUSLY ILL IS NOW BETTER

A. J. McLeod, retired lumberman and turpentine operator and one of this section's foremost business men, is seriously ill at his home at McLeod, 11 miles north of this city. He is attended by Dr. C. L. Horton and Dr. Anderson, who held a consultation with Dr. H. S. Lewis, present this week, with two nurses in attendance. His case is reported very complicated, but his condition is improved, for a while, during the week, his condition was considered very critical.

Mr. McLeod is a pioneer of the development of the interior of this section of the county, having moved here from South Carolina over thirty years ago, and settled where he resides today, the settlement named after him, where for years he had sawmill and turpentine interests. Mr. McLeod has served this locality in various capacities, more notably that of Supervisor from the Jordan River beat. Dr. Horton on Thursday reported his patient much better, his immediate ailment pronounced as malaria.

BAPTIST REVIVAL BEGINS SUNDAY AT LOCAL CHURCH

Dr. H. L. Martin of Lexington
Will Be Revivalist—
Kiln Baptist Here Sun-
day Night

A revival will open Sunday morning, 11 o'clock, at the First Baptist church, in Bay St. Louis, and will continue for ten days. Dr. H. L. Martin of Lexington, Miss., has been secured to do the preaching and will arrive to preach his first sermon Monday night, 7:30 o'clock. Services will be held each night at that hour. Rev. W. S. Allen, pastor, will lead the singing.

Sunday, the opening day of the revival, will include two big services, Rev. Allen preaching at the morning service. At the night service the members of the Kiln Baptist church will be special guests of the Bay St. Louis church and recent additions to that church as well as the Bay church will be invited. Dr. E. P. Haigh, professor at the Baptist Bible Institute in New Orleans, and pastor of the Kiln Church, will preach the sermon Sunday night here and officiate at the baptism.

Everyone, regardless of denomination, is invited to attend the services during the revival.

PANTHERS HAVE REORGANIZED BASKETBALL TEAM

Independent Boys Team will
Be Ready Next Week for
Match Games With All
Comers

The Panthers, independent basketball team composed of boys from the local community, have reorganized and are practicing at St. Stanislaus College gym. This team will be ready for games by next week, it is said, and any team of ball players from any section will be "taken on" with pleasure by the local boys. Anyone desiring a game should communicate with the business manager, C. A. Breath, Jr., Bay St. Louis. The captain of the team is Bill Watts and the coach is Leo Ford. There are about 25 boys out for practice, many of these being former high school and college stars and some fine work is expected for the winter season.

WILD WEST SHOW AT GULFPORT VIEWED

Many from Bay St. Louis attended the performances of the 101 Wild West shows which appeared in Gulfport Tuesday. The greater number were highly delighted with the real wild west spirit present in the cowboys, cowgirls and real Indians. This type of show is distinctly different from the usual circus in that all performers are professional horsemen and cattlemen who go with the show during the lax season on the ranch. All enjoyed seeing Jack Hoxie, movie actor, in person. Our local townsman, John N. Wisner, formerly connected with various circus interests, enjoyed a visit with Colonel Zack Miller, head of the 101 shows and his chief assistant, Frank Gavin and other members of the troupe.

BAY HIGH VISITORS FRIDAY

Local High School Team
Was Successful In Tri-
umphant Victory Over
Moss Point

(Wm. D. Hays, r.)

Flashing an imperable line and a fast backfield, the Bay High Tigers smashed up a 26 to 0 score against Moss Point High Friday afternoon. The whole team did well, but the line, led by Mitchell and Koch, made wide holes for the backs, and held off the Moss Pointers until the backs could get on an end run. Defensively, the line was a stone wall, the men frequently breaking through and smearing plays at their conception. The backfield also worked well. Ladner got off on a 55 yard run for the first score, and Maurigi brought a long march to a climax by bucking the line for a touchdown. The third score was made by Taconi, who grabbed a Moss Point pass and dashed thirty-five yards to the goal line. A pass, Maurigi to Ladner, was responsible for the last touchdown.

Moss Point put up a game but losing fight, being slowed up by the ferocity of the blocking and tackling. They were unable to make a single first down through the line, and were forced to resort to an air attack in the last half, making several nice gains. At no time, however, did they seriously threaten.

Bay St. Louis: Beeson, le; Koch, lt; Garriga, lg; Coward, c; Middleton, rg; Mitchell, rt; Casanova, re; Taconi, qb; Ladner, hb; Ramond, hb; Maurigi, fb.

Moss Point: Rape, le; Watjus, lt; McLeod, lg; Faley, c; Owens, rg; Siurua, rt; Alexander, re; Schaub, qb; Beardslee, hb; Fulton, hb; McInnis, fb.

Substitutes: Bay St. Louis: Laurant for Ramond; Nathan for Middleton; Erwin for Koch. Moss Point: Scoring Points—Bay St. Louis: touchdowns; Maurigi, Taconi, Ladner two; points after touchdowns, Maurigi, Ladner.

SCHUBERT CLUB SUPPLIES MUSIC FOR SILVER TEA

St. Margaret's Daughters
Benefit at The Answer
Wednesday Proves Great
Success

The silver tea given Wednesday afternoon at The Answer proved most successful with a large crowd of interested people calling during the afternoon.

The event of the evening was the delightful program of music given by the Schubert Music Club, the local organization which is so considerate and courteous in cooperating with worthwhile endeavors and whose numbers are always highly appreciated by the music loving public. Especially artistic was the program rendered on this occasion and the club is to be congratulated upon all. The program follows:

Vocal solo, Charity. Miss Eveline Lacoste. Chorus, Mighty Lak' A Rose. Schubert Club. Violin solo, Miss Jennie DiBenedetto. Violin solo, Miss Jennie DiBenedetto. Quartet, (a) Schubert Serenade, (b) Lilac Time, Mrs. H. C. Glover. Mrs. George R. Rea, Misses Margaret and Genevieve Green. Reading, Laddie My Boy. Miss Lois Wolf. Reading, Milking Time. Miss Alma Lejeune. Chorus, Barcarole. Schubert Club. Vocal solos, (a) Deep in My Heart, from Student Prince, (b) Lindy, Mrs. H. U. Canty. Vocal solo, Sunshine of Your Smile, Miss Eveline Lacoste. Chorus, By The Waters of Minnetonka. Schubert Club. Mrs. Winfield Partridge was accompanist for the program.

The tea table was beautifully arranged with its snowy cloth and beautiful silver service, arranged for the occasion by Mrs. John N. Stewart of The Answer. The decorations were yellow daisies. Mrs. Bothe and Mrs. Kate Connors poured tea and coffee and sandwiches were served. The committee responsible for the successful tea included the following: Mesdames E. J. Lacoste, George Boh, Ralph Seiler, G. Y. Blaize, John Green, John Smith, H. A. Leche, Claude Monti, George Stephenson and Miss Lottie Cuneo, and others who assisted.

TO INSTALL NEWLY- ELECTED OFFICERS

A regular meeting of the Pere LeDuc Council, K. C. No. 1522, will be held this Sunday, October 20, at 8 o'clock at K. C. Hall, at which time and place installation of newly-elected officers will be elected. Following the ceremony of the evening, the Knights will repair to the lower portion of the hall where a supper will be served and several speakers will address the members on the occasion. A full attendance is respectfully urged.

ORIOLE TEA ROOM AUSPICIOUSLY OPENED SATURDAY

New Tea Room Is Visited by
Over 100 Guests at Formal
Opening Saturday
Night

The Oriole Tea Room of which Mrs. Oriole M. Pollard is hostess, opened Saturday night auspiciously with more than 100 guests from all parts of the Coast calling to visit the room and greet its popular hostess. Mrs. Pollard is not a stranger to the people of Bay St. Louis who enjoy a pleasant tea room hostess as she was formerly connected with The Answer. Many of her friends and acquaintances made during that period of her work were present Saturday to greet her in her new tea room which is located at the Rene de Montluzin home on North Beach Boulevard where Mrs. Pollard has leased the lower floor.

Mrs. Pollard was assisted in receiving by her young mother, Mrs. B. F. Miller. The Misses Helen Vaughn and Willie Lee Young and Mrs. W. L. Short of New Orleans, presided at the punch bowl and served the dainty cake made specially by Mrs. Pollard for the reception. Trays of shelled pecans were also served.

Among the out of town guests calling for the reception were Mrs. Mary and Mrs. Satterlee, both of New Orleans, who motored over for the occasion.

Beginning with Sunday the Oriole is open for business and dainty meals are served.

SHELL OIL STATION ON BEACH FRONT IN PROCESS BUILDING

Located Corner Court Street,
On Grounds Formerly
Hotel Pickwick Site

Work has begun in earnest in the construction of the filling and repair station for E. J. Arceneaux, who will sell the Shell Oil company's products, and from the plans the building promises not only to be one of spaciousness but also of smart appearance, strictly modern.

Alphonse Fayard is the contractor, while Dan Fayard is superintendent in charge. All material for this job is supplied by A. Seafide & Co., of which Leo Murtagh is manager. Lehigh cement is used throughout.

The building will be fire-proof and the exterior of pebble-dash finish, while the roof will be of the built-up type, with projections of red tile work. The inside walls will be of sand-finish plaster.

Contractor Fayard states he expects to have the building finished about the 1st of the month. Mr. Arceneaux will be ready for business as soon as the structure will have been completed.

MISSIONARY SOCIETY WILL TAKE ORDERS FOR CUT FLOWERS

Arrangement With C o a s t
Florist Will Benefit Gen-
eral Fund of Methodist
Society.

An arrangement has been made with the Allendale Flower Shop of Gulfport whereby the members of the Woman's Missionary Society of Bay St. Louis will take cash orders for cut or potted flowers for All Saints' Day and receive a percentage for the general fund of the society. After All Saints' day the ladies of the society will continue to take orders. In discussing this arrangement Mrs. C. M. Shipp, president of the society, stated that the prices quoted by members of the society would be the same as those paid at the shop of Gulfport and that S. A. Bouslog of the shop pledges prompt delivery and excellent flowers.

Anyone desiring flowers for All Saints' are asked to place their orders as soon as possible, by phoning either of the following: Mrs. Alexander Allison, No. 404; Mrs. W. A. McDonald, No. 133; Mrs. C. M. Shipp, No. 147.

PRESIDENT NAMES EXECUTIVE BOARD CHAMBER-COMMERCE

President and Vice-Presi-
dents Are Named for One
Year

George R. Rea, newly elected president of the Chamber of Commerce, has named the executive board to serve that body for a period of one year. The president and vice-president, Leo W. Seal, by virtue of their offices are on this board and three directors are named by the president to complete the board, namely Mayor Chas. Traub, Sr., and Chas. G. Moreau, the latter being treasurer. The local organization is planning an active year in which every matter for the betterment of the city and community will be furthered.

HOOVER AND McDONALD

Prime Minister Ramsay MacDonald of England and President Hoover have had their little heart to heart confab and in a joint statement issued at the conclusion of their conversations they declared: "On the assumption that war between us is banished, and that conflicts between our military and naval forces cannot take place, these problems have changed their meaning and character, and their solution in ways satisfactory to both countries has become possible."

We hardly think they could have arrived at any other conclusion than that the two great English-speaking nations would ever again be other than friendly. The peace of the whole world is in their keeping, and should other countries wish to go to war the scream of the American eagle and the roar of the British lion will freeze the blood in the veins of the war-seeking peoples.

TRAITORS TO THE PARTY

Over in Alabama overtures are being made by some members of the State Democratic executive committee to compose differences within the party and invite all Democrats who did not vote for Al Smith to return to the party and participate in the State primary next year, both as candidates and voters. To our way of thinking that is placing a premium on treachery and disloyalty, and no good can come of it. Once a traitor to the party it is not to be hoped or expected that a man will hesitate to bolt the party at any time the party's candidate and platform does not suit his fancy.

OVER IN PEARL RIVER

The Picayune Item and the Poplarville Free Press, both under the editorial management of J. R. Furr, are making light against extravagant expenditure of the public funds of Pearl River County taxes have been getting higher and higher and more than two thousand taxpayers of the county have petitioned the board of supervisors for redress. From the meagre information we have been able to gather their prayer for relief will be heard at a meeting to be held next Saturday. We shall watch with interest the final outcome of the matter.

FOR MISSISSIPPI'S GREATEST INDUSTRY

The boards of supervisors of Amite, Pike, Marion and Wilkinson have contracted for the construction of a line fence along their southern border to keep tick-infested cattle from Louisiana parishes out of Mississippi. It is believed that the day is not far distant when the whole state will be tick-free, and when it is so declared we expect to see Mississippi take her place as the greatest dairy and cheese making state in the South.

CAMPAIGNS TOO COSTLY

A change in our present primary election system is sadly needed. No candidate can make a State-wide canvass and be elected without it costing several times over what four years salary would bring him. Is it any great cause for wonder then that the legislative investigating committees are revealing shortages in the accounts of State officials. And the same rule of reason applies to many county and district officials.

UNCLE SAM LOSES NO TIME

That Colorado banker who fraudulently obtained a half million dollars from six New York banks, a few weeks ago, has been convicted and sentenced to serve fifteen years in the Federal Penitentiary at Atlanta. Had the scoundrel been charged with defrauding a State bank it would probably have been several years, before he was placed behind the bars; but Uncle Sam does not permit such cases to drag when a Federal charge comes before his courts.

GOVERNOR TOO LIBERAL

Governor Bilbo is going strong in the matter of issuing pardons to penitentiary convicts and suspending the sentences of others. In some instances the governor may be right now and then in giving freedom to a prisoner, but it strikes us, when the number of pardons he has been issuing lately is considered, that he is entirely too liberal in exercising the power vested in him.

WHY TAXES ARE HIGH

The present bonded indebtedness of Mississippi is \$24,508,750 and interest on same is approximately \$1,100,000. In addition there are short term notes amounting to \$4,000,000, with interest on same amounting to \$120,000 annually. Do you any longer wonder why taxes are high?

A hard fight is being waged by defense attorneys to stave off the trial of Ex-Secretary Fall, charged with accepting a hundred thousand dollar bribe from Edward Doherty as payment for the Elk Hills oil lease. It is to be hoped that they will not succeed in their efforts.

ALLEGED SHORTAGE OF FUNDS

It is indeed enough to bring the blush of shame and deep humiliation to every honest and loyal Mississippian when he reads that shortages in the accounts of several State officials have been brought to light by investigating committees appointed during the recent extraordinary session of the legislature.

In a report made during the past week, Bura Hilburn, former supervisor of negro education, and dispenser of the Rosenwald fund, is alleged to have misappropriated \$45,000. Evidence has been secured that that amount, which he claimed had been paid to certain negro schools, when in fact such schools did not even exist.

State Superintendent Bond's office is also being investigated, and it is hinted that he may also be found short in his accounts.

But, saddest of all, is the report of auditors for the committee showing that the records in the office of the late Joseph W. Power, for many years Secretary of State, disclose a shortage of \$56,640 during his administration. No man in the State was held in greater esteem or was more highly regarded than Joe Power, and it is a matter of sincere regret that such disclosures have come to cast a dark and damning blot on his name.

Then, too, there is the case of Rush Knox who chose to resign as attorney-general rather than face certain impeachment for pocketing money which he should have paid in the State treasury. And there may be other unfaithful State officials whose skirts are not clean, yet we hope not.

It may be truly said that our grand old State has fallen on evil days, and why should she be the case. There must be a cause for it, and yet where should the blame rest for the scandalous condition revealed by these legislative investigating committees, except upon the people who elevated the unworthy officials to place and power.

PROHIBITION MISERABLE FAILURE

Bishop James Cannon, Jr., chairman of the board of temperance and social service of the Methodist Episcopal Church, South, has directed a formal appeal to Congress for the passage of a measure to declare liquor buyers equally guilty with sellers under the prohibition laws, and Senator Sheppard of Texas has already announced that he will sponsor such an enactment during the coming session.

Holding that "it would put another army of millions of men and women in the lawless class," contends Senator Hawes of Missouri, if the scope of the Eighteenth amendment were to be extended "it should be extended by an amendment to the Constitution." Such a move, he suggested, "might be a good thing; it might provide a referendum desired by many."

After years of trial, enforcement of the prohibition laws has proven a miserable failure in many respects, and The Echo believes it should either be wiped off the statute books, or else those officials charged with its enforcement be kicked out by the government and a new set of men put in who are above suspicion and cannot be bribed by moonshiners and bootleggers. Even many thousands who hailed with sincere delight the enactment of the Eighteenth amendment have become so thoroughly disgusted with the way it is being enforced if given the opportunity would gladly vote for its repeal.

BUSSES AND TAXES

"If trucks want to compete with the railroads, then adequate compensation should come from them for the damage they do. The railroads have to pay taxes on their rights-of-way and in addition are assessed with a portion of the cost of the highways that the trucks (and buses) use. The country, cities and towns all owe what they have to these rail lines and should protect them in every way they can."

The foregoing from the Sunflower Tocsin "hits the nail squarely on the head," and as a matter of justice to the railroads and individual taxpayers who pay for the construction and upkeep of the State's highways, it is the duty of the next legislature to pass a law imposing a heavy tax on trucks and busses engaged in the transportation of freight and passengers. The enormous trucks loaded with thousands of pounds of freight and busses half as large as railway passenger coaches are playing havoc with our highways and both should be made to contribute liberally to pay the cost of repairing the damage they do to our roads.

DAIRYING INDUSTRY

Hon. W. D. Hoard, former governor of Wisconsin, the foremost State in the Union in the production of dairy products, pays the following merited and deserved tribute to old "Bossy":

"The cow is the foster mother of the human race. No nation or people has become highly civilized without her. Without her, agriculture is not permanent or prosperous, people are not healthy or happy. Where the cow is kept and cared for, civilization advances, lands grow richer, homes grow better, debts grow fewer. She is the most used and the most useful of all animals domesticated by man."

In that one short paragraph is encompassed a world of truth, and when the farmers and land owners of this section turn to the dairy industry they will soon be better off. It and it alone offers the surest and speediest returns on amount of money invested in it,—be it much or little.

NEW ORLEANS CAR STRIKE

By a vote of 974 to 39, the striking carmen on Thursday last decided that they were ready to go back to work. Inasmuch as there was a clause which provided for arbitration of differences between the men and the Public Service Company they were informed by A. B. Patterson, vice-president and general manager, that it was "a wasted effort" in voting to go back to work—as the company had no intention of "arbitrating" with the strikers and intended to continue operation of the company cars, using the men who have succeeded the union strikers. Under the conditions which the union workers have brought about no fair-minded and unbiased person can have cause to criticize or condemn the company's spokesman.

TWENTY YEARS AGO.

LOCAL HAPPENINGS CHRONICLED IN THE SEA COAST ECHO

(From Issue of Oct. 9, 1909.)

Hon. E. Van Whitfield is here from Kilm this week attending court as a member of the jury.

The patrons of the L. & N. railroad are promised through service to New Orleans by Monday, and no announcement is hailed with more genuine satisfaction and pleasure.

Miss Pauline McDonald has gone to Petersburg, Va., where she has entered school. Mrs. Will T. McDonald accompanied her daughter, and will spend the fall season in Virginia.

Brother Louis, prefect at St. Stanislaus College, returned Monday from Natchez, Miss., where he had been called by a message announcing the serious illness of his mother.

Mr. Gus Templet, planter, merchant and banker of Napoleonville, reached here during the week to view the damage wrought by the recent storm and to look after the interest of property here.

Hon. E. J. Bowers reached here from Washington during the early part of the week and will spend a while on the coast before returning to Washington, to which city his family preceded him a week since.

Mrs. A. F. Cameron returned from New Orleans, Thursday morning, by rail via Gulfport after a visit of several weeks with relatives and friends in New Orleans. The news of Mrs. Cameron's return will be a source of much pleasure to her numerous friends.

Hon. W. H. Maybin, well known attorney of the Mississippi Gulf Coast, spent part of the week here, attending circuit court and was registered at the Tulane Hotel. Mr. Maybin recently returned from a year-and-a-half's residence in Los Angeles, California, in successful quest of health.

Mr. and Mrs. Eastman, of Chicago, Ill., owners of beautiful Waldmere Home on the beach front, reached here during the week and are registered at the Pickwick Hotel. Mr. Eastman came to ascertain the damage to his property resulting from the late storm and to contract for the work of rebuilding revetment and beach walk.

TEN YEARS AGO

(From Issue of October 11, 1919.)

Mr. and Mrs. W. R. Schroeder and baby left here during the week for their future home in Europe, the town of Helsinki, Finland. Before leaving he arranged to have The Echo visit him regularly in the future.

Mr. A. G. Osinach, the astute editor of the Gulfport Daily Herald, spent yesterday in the city renewing the acquaintance of his former home town and visiting at the home of his brother Mr. John Osinach.

R. G. Campbell of Campbell's Island, this county, announces in the advertising columns of this week's Echo a sale of 50 head of hogs at his place on Wednesday next. The hogs are in fine condition and must be sold on that day.

Mr. Edward Vairin, son of Sheriff and Mrs. J. W. Vairin, reached here from Boston Thursday, after two years spent in the quartermaster's department. He is a splendid young fellow and his return home is generally welcomed on all sides.

Mr. Joseph F. Cazeneuve, vice-president and cashier of the Hancock County Bank, returned home Wednesday morning after a six-weeks visit to Indianapolis, Ind., where he visited his daughter, Mrs. Bernard O'Connor and family.

Both army trucks, recently acquired from the U. S. Government by Hancock County, have been thoroughly overhauled, bodies built for same and put in such order as to make their use for the county of much value in results and money saving and both trucks were placed into active commission this week. It was a tender time when Hancock county acquired these splendid properties at practically no cost.

Mr. Charlie Frank, the baseball magnate, who recently arrived here to get in readiness his property, the Dunbar Company's old cannery factory site for professional baseballists, has taken the smaller of the Gleason properties on the bay front. Mr. Frank announces that it will be impossible to get the grounds in readiness for the winter practice of his men but this will not deter their coming as he has made arrangements with the college for the use of the campus.

A QUESTION FOR YOUTH

Modern industry has brought many gifts to mankind. It has, without doubt, raised the standard of living and seems about to guarantee leisure time to us all.

The question arises, "what will man do with leisure time?" Before men and women acquire their full growth and power they must answer this question.

Young people in Bay St. Louis might as well do a little thinking on the subject now. They may have the leisure.

The merchants who advertise are at least telling you what they have for sale. It is said in the open, and it is probably true. Our own idea is that buyers should beware of those who take them into their confidence and offer special bargains "just because it's you."

SICK AND TIRED OF IT.

"I am tired of the ceaseless squabbling and turmoil at Jackson," said Representative H. H. Evans of Harrison County when he mailed his resignation to Governor T. G. Bilbo the other day. The people of Mississippi are sick and tired of all this squabbling too, and are making no bones about letting both the governor and the legislators know exactly how they feel.

Mississippi is bigger even than herself-appointed Mussolini. The interests of the state are infinitely more important than the political fortunes of Bilbo or any legislative faction. Political bickering has become a habit in Jackson. Bilbo "the builder" now appears in his true colors as "Bilbo the blusterer." If he cannot have things his own way, he will not have anything at all. Some members of the legislature are likewise opinionated to the point of nausea. The whole situation is disgusting.

Houston Evans cannot be blamed for resigning. He states that his ambition now is to re-establish himself as a gentleman and to re-make his peace with God. The American wishes him well in his undertaking, looking after the interests of his constituents. Unless the governor and the super-partisans of House and Senate pay more attention to the interests of Mississippi and less to their own vendetta they will find it very difficult to restore themselves to favor either with God or man.—Hattiesburg American.

BIRD'S ROOFS

ART-BLENDE

Hexagonal Twin Shingles

The color beauty of this roof is secured by the scientific blending of natural, unfading slate into warm russet tints. Additional beauty is secured from the shade lines cast by the butts.

These asphalt slate surfaced shingles are proof year in and year out against the snows of winter, the heavy rain of spring and summer and resist the menace of fire from flying sparks and embers.

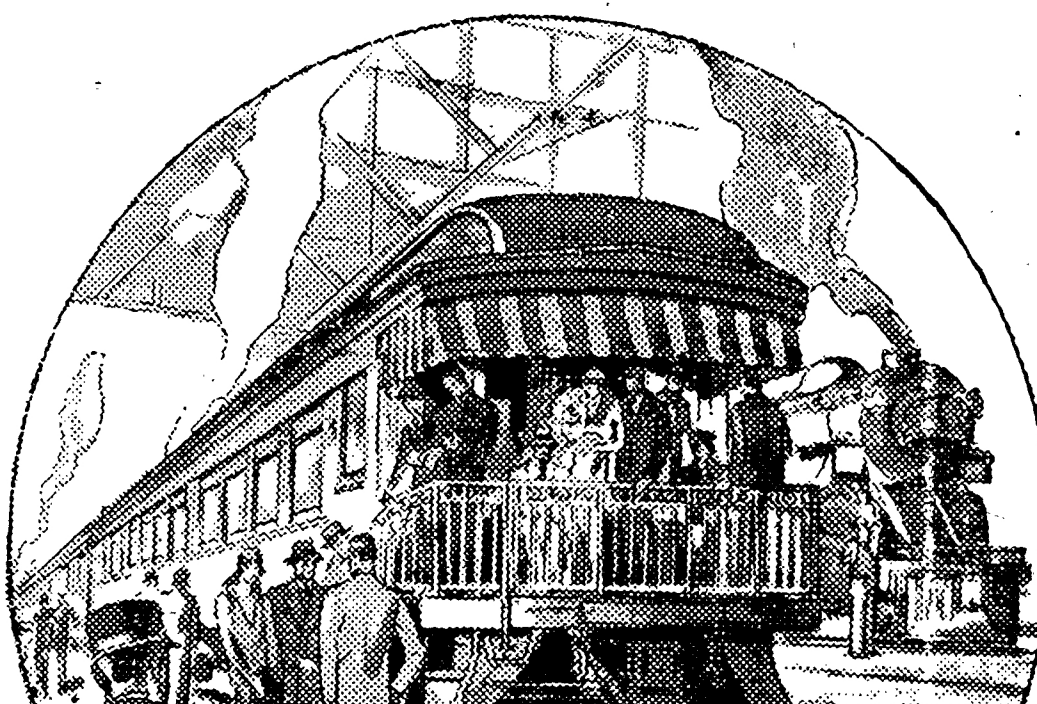

These shingles are for new work or right over the old shingles.

Art-Blende Hexagonal Twin Shingles are made by Bird & Son, Inc. (Est. 1795), manufacturers of Twin Shingles, Shingle Design Roofing, Art-Craft Roofing, Paroid Roofing, Bird's Insulating Blanket, Neponset Black Building Paper and Neponset Board. There's a Bird product for every sort of building!

We are headquarters for Bird's roofings, building papers and wall board.

A Real Public Servant

The Louisville & Nashville Railroad is owned by thousands of stockholders in various walks of private and public life. It is operated for the service of the public by officers chosen by these stockholders.

The Louisville & Nashville Railroad gives employment to nearly 50,000 workers to whom it pays approximately \$67,000,000 annually in wages, which are, in turn, spent or invested by these employees in various public enterprises.

For supplies bought from the public for its operation, the L. & N. Railroad pays out over \$20,000,000 annually.

For improvements to its vast property devoted to public use, the L. & N. Railroad has appropriated an average of nearly \$20,000,000 annually during the past ten years, to serve the public more efficiently.

For taxes alone, the L. & N. Railroad pays into public hands \$7,600,000 per year, and, in interest and dividends on stocks, bonds, and other securities held by the public, it distributes nearly \$19,000,000—thus making the total yearly disbursements in which the public has a direct interest upwards of \$133,000,000.

Therefore, the L. & N. lines and their owners, the communities served, and the workers employed—all have the closest possible mutual interests. The better these interests are understood and furthered, the greater will be the degree of public service rendered.

To be a punctual, courteous, efficient, and dependable public servant in every phase of its operations and through the loyal co-operation of its multitude of employees, is the ideal and constant aim of the L. & N.

COLLEGE ECHOES

The St. Stanislaus Rock-a-Chaws, who have, as yet, not been scored upon, trounced Commercial High Yellow tickets last Saturday 19-0. The first touchdown was made in the first half by Charles Genard, who shook the would-be tacklers off in a desperate and successful jaunt of about 55 yards. The extra point was not made.

In the second half Linam was outstanding in the back field. His line plunging gained consistently. At the end of the third quarter Toca crossed the goal with the ball after receiving a twenty five yard pass from Buster Hallisy.

In the third quarter Toca again caught a forty yard pass from Hallisy and then ran ten yards to the goal.

Juniors Battle Pass Christian.

Pass Christian went down to defeat in Sunday's game at the hands of St. S. C. Junior team. Pass Christian fought gamely throughout, but the local boys were too strong for them. The two scores came in the first quarter and neither team scored again, but the Pass's goal was three ended many times in the third and fourth quarters. Roth was the only man to score for St. Stanislaus. Sunday the third squad will play the Pine Street Tigers. Returns by quarters from the Jesuit game will be announced.

A splendid opportunity is offered by the L. & N. to all those who wish to accompany the Rock-a-Chaws on their trip to play Jesuits in New Orleans Sunday, October 20th. The Railroad will run a special train leaving Bay St. Louis Sunday morning about nine thirty, and leaving New Orleans for the return trip at about seven fifteen. The fare for the round trip will be \$1.25—the game to be played at Loyola Stadium.

Wednesday morning class '30 adjourned to its sanctum for the worthy and solemn business of electing officers to represent it after rather lengthy balloting these were decided upon. Class '30's (Holy Hall), resounded with applause as each of the four following officers made his speech of acceptance.

Alonso Gasco, President; Richard O'Leary, Vice-President; John O'Brien, Secretary; Alfred LeDune, Treasurer.

Be it known that class '30 is mighty proud of and has great confidence in its officers.

"I tell you how it is," said the mild-eyed patient to the asylum doctor. "I met a young widow with a grown up step-daughter and I married the widow. Then my father met our step-daughter and married her. That made my wife the mother-in-law of her father-in-law and made my step-daughter my step-mother, and my father became my step-son. See?"

"Then my step-mother, the step-daughter of my wife, had a son. That boy was, of course, my brother, because he was my father's son; but also was the son of my wife's step-daughter, and therefore her grandson. That made me grandfather to my step-brother. Then my wife had a son, my brother-in-law."

"The step-sister of my son is also his grandmother, because he is her step-son's child. My father is the brother-in-law of my child, because his step-sister is his wife. I am the brother of my own son who is also the child of my grandmother."

"I am my mother's brother-in-law, my wife is her own child's aunt, my son is my father's nephew, and I am my own grand-father, and I can't stand it."

The editor will be glad to have any help in unraveling the above mystery. A reward will be offered, a rubber toothpick, an asbestos toothbrush or some other suitable gift to the lucky boy or girl—and please hurry as we have yet to solve the Einstein theory, which we think mild compared to the above.

WORK AND PLAY AT S. J. A.

S. J. A. High School Loses a Beloved Teacher.

We are now grieving the departure of Our beloved Sister Alice, who worked so lovingly with us during the past three years.

Sister Alice was one of the girls of S. J. A. had been impatiently awaiting the arrival of Sister Alice from Bourg, France where she had been visiting the Mother House of her Congregation. Sister Alice returned here last Tuesday, but the joy of her coming was crushed by the news that she was to leave immediately for Baton Rouge where she is to teach this session.

Each and every girl feels dreadfully this loss of a teacher and friend—true and sincere, and the High School Motto is: "She may be absent from the class room, but she is ever present in our minds and hearts."

Exercises in Honor of Columbus.

As Saturday was Columbus' day, exercises in honor of Columbus were held at the Academy on Friday afternoon.

At 2:15 all the classes assembled on the front lawn and surrounded the flag-staff from which the "stars and stripes" proudly waved. Patriotic songs were sung and allegiance to the flag was pledged, after which the school was dismissed.

Fifth and Sixth Grade—

"Gym Week a Success."

"In union there is strength" was conclusively proven last week by the fifth and sixth grades of St. Joseph Academy. The little girls of these grades worked like "Turks" some like the cabbage came out a "head," but the others pepped up and showed they could like the tomato "catch up."

After a week of work and fun \$75 now the teacher and her little band of workers wish to extend their sincere thanks to all who contributed to make the "Gym Week" a success.

Naturally Freshmen can't help wondering just when it will happen. And certainly they can't help being a little thrilled, a bit frightened, and slightly defiant. Of course they scoff at it but that doesn't prevent their trying to "out-Sherlock" detective Holmes and his 33 associates.

Of course their attempts are more apt to be muddy tracks, but far be it from us to discourage or hurt them in any way. Oh no! Not we!

These candidates for detective fame thought they had found a clue when they held their Class meeting Friday. They would like to know how they felt, when all they heard was the election of the Senior Class Officers.

It can't be that their suspicions were aroused by one of last week's Echo notes. Surely that wouldn't cause them to be so perturbed as they were Friday afternoon.

However we were given to understand that the main question before the Freshmen Class is, "It won't be long now, or will it?"

The Jolly Juniors have at last decided upon their class pins. They were ordered Friday evening through Hausman's and are due back some time before Nov. 3. Until then the members of the Junior Class or rather the Junior "Sorority (? ? ?)" will be anxiously awaiting their pins.

LETTERS FROM THE PEOPLE

THANKSGIVING OFFERING FOR CRIPPLES.

Jackson, Miss., Oct. 15, 1929.

For several years we have asked the teachers and students of the schools in the state to make a donation to help in securing hospital treatment for crippled persons who are not able financially to secure this service for themselves. The response has in every other good work, when the schools have been called on has been fine. Their donations have helped to secure treatment for several hundred cripples.

The work for cripples has grown so much and there are so many children waiting for treatment that we have thought it best to ask all friends of crippled children to have a part in this great work. About two years ago the Rotary Clubs in the convention in Columbus organized The Mississippi Society for Crippled Children. This society has headquarters in the Civilian Rehabilitation Department. No salary is paid for field workers. The regular supervisors of rehabilitation look after this work at no additional cost thus using all donations to help the crippled people of the state.

The annual membership dues are \$1.00. Sustaining membership is \$5.00. Active membership \$25.00. Honorary membership \$50.00. Life membership \$500.00.

As the Thanksgiving season approaches, and you begin to count your blessings remember that one of the greatest blessings God has bestowed on you is health, strength, and the ability to care for your family. In true thankfulness for all these blessings won't you help some cripples by making a donation at Thanksgiving to the Mississippi Society for Crippled Children. Make your check payable to the Mississippi Society for Crippled Children, State Department of Education, Jackson, Miss.

W. F. BOND,
State Supt. of Education.

A PLEA FOR PROTECTING FISH

There is no doubt that the rivers, bays and coasts of Hancock county would afford splendid fishing grounds for many years to come if the fish were given proper protection. As it is, and has been from time immemorial, the practice of using nets of every description by men who fish for a livelihood has been permitted, and the supply of game fish has been sadly diminished and if not stopped the waters will be cleaned of green trout, perch, and other species of game fish which give rare sport to amateur anglers. If an ordinance were passed by the board of supervisors placing a heavy fine on all persons who are caught using seines or nets of any kind in the taking of fish in fresh water streams it would be a step in the right direction, and hailed with sincere delight by every man and woman in the county who fishes just for the sport of the pastime.

Be it therefore ordered by the Board that the County borrow from the Hancock County Bank the sum of \$15,000.00 at six per cent. per annum payable February 15th, 1930 and it is further ordered by the Board that Emilio Cue, President pro tem of this Board sign and execute the act and deed of this County and of this Board, payable to the Hancock County Bank for \$15,000.00 with six per cent interest, payable February 15th, 1930.

The said money being borrowed during the Fall months in anticipation of school taxes, and when the said \$15,000.00 is received the same shall be placed to the credit of the common school fund.

Whereas it is necessary to borrow money for Hancock County to meet the expenses for the current year, therefore be it resolved that it is the intention of the Board of Supervisors of said County to borrow the sum of \$20,000.00 for the general County Fund in anticipation of the taxes for the year 1929, to defray the expenses of said year, and to issue a negotiable note for the County maturing not later than February 15th, 1930, and bearing interest at the rate of 6 per cent. per annum.

The clerk of this Board will publish a certified copy of this order as required by law, so that the duty tax payers of said County may protest if they desire.

Be it therefore ordered by the Board that the County borrow from the Hancock County Bank the sum of \$15,000.00 at six per cent. per annum payable February 15th, 1930 and it is further ordered by the Board that Emilio Cue, President pro tem of this Board sign and execute the act and deed of this County and of this Board, payable to the Hancock County Bank for \$15,000.00 with six per cent interest, payable February 15th, 1930.

The said money being borrowed during the Fall months in anticipation of school taxes, and when the said \$15,000.00 is received the same shall be placed to the credit of the common school fund.

Whereas it is necessary to borrow money for Hancock County to meet the expenses for the current year, therefore be it resolved that it is the intention of the Board of Supervisors of said County to borrow the sum of \$20,000.00 for the general County Fund in anticipation of the taxes for the year 1929, to defray the expenses of said year, and to issue a negotiable note for the County maturing not later than February 15th, 1930, and bearing interest at the rate of 6 per cent. per annum.

The clerk of this Board will publish a certified copy of this order as required by law, so that the duty tax payers of said County may protest if they desire.

HE IS ASLEEP TO NATURAL ADVANTAGES SAYS FORMER RESIDENT

Low Pressure Spirit Should be Supplanted By a Faith in
South Mississippi as Great Dairying Section.

(From the Hattiesburg American)

"You South Mississippians are sitting on a gold mine and don't know it," vowed Robert E. Bradford, member of a family of pioneer settlers in this section and now a resident of La Grande, Ore., who arrived this week for a visit with friends and relatives after 14 years in the Pacific northwest.

"I have been in every state in the Union save five, and crossed 22 states in an automobile tour from Oregon to the east. Nowhere have I seen possibilities for prosperity as those which await development right here in Mississippi. I own no property here and I never expect to return to this, my native state, so I may speak from an unbiased viewpoint. But I do expect to buy some land down in this section before I return to Oregon just as a matter of good investment," said Mr. Bradford with a smile. He is a real estate agent in La Grande and believes that he knows land values and their possibilities.

State Needs Boosters.

"In Oregon everybody is a booster," said Mr. Bradford. "If you ask any man in that state how business conditions are, you get a quick answer: 'Fine! Couldn't be better.' But in South Mississippi I have asked that question, and the answers are 'Oh, there isn't any business.' Or 'Things are not so good, not so good.' That's poor advertising for your state, and poor psychology for your own people."

"In my county in Oregon, we have a development league in which all business interests are represented. They are assessed according to the volume of business they did the year previous. This money is used in an intensive program of advertising and publicity devised to encourage people to trade at home. We urge the patronage first of La Grande business firms; second, the purchase of county-made products; and lastly, goods raised and produced in the west. To illustrate the effectiveness of this publicity program, Sears, Roebuck and Company last year described illustrations of its merchandise in a catalogue as 'manufactured in the' in an ill-concealed effort to offset the power of our own educational campaign."

Natural Advantages.

"The country around La Grande is a rich dairying and truck-raising district. Yet the natural resources and advantages there are no greater, if as great, as those offered right here in Mississippi. Instead of a nine months season for grazing purposes, yet dairy farmers there sell their milk at ten cents a quart and make big money. Farm land there sells for \$100 an acre."

"Soil, climate, seasonal changes, lack of extreme cold weather and other natural advantages should make this the greater dairying section in the United States. I can't understand why people here have not awakened to the golden chance."

"Yes, I see gratifying changes which have taken place in 14 years," said Mr. Bradford in response to an inquiry. "But the development has been confined to the cities, Jackson, Meridian, Hattiesburg—the towns are growing. But the rural districts are not developing as they should."

Paved Roads Needed.

Lack of a state-wide system of paved highways is also holding back progress in Mississippi, Mr. Bradford believes. Furthermore, he says that from personal experiences and his observations in other states led him to agree with Governor Bilbo in his stand for an appointive commission of three men to handle the hard-surfacing program.

"I was against Bilbo, but I was in Jackson when he addressed the joint session of both Houses and offered to name a list of 50 men from which he would select the three commissioners. I had to admit that he was right. But factional politics turned a deaf ear to his very fair and reasonable proposition," said Mr. Bradford.

The former Magnolia state resident carried with him to Oregon his political faith, for he is an active Democrat in that state, and is chairman of that county executive committee. He said that during the recent Presidential campaign he became so disgusted with the attitude of the church, particularly the Methodist church, that he turned his back to the church of which he had been a deacon for many years.

Roosevelt Called Leader.

Asked who would probably be the next Democratic candidate for the Presidency, Mr. Bradford said: "Franklin Roosevelt is the outstanding man in the party, and should be nominated."

UNUSUAL CACTI ARE BROUGHT FROM VEST

A collection of unusual cacti were brought from the far West by Mr. and Mrs. Chas. G. Moreau up a their return from California and there prickly plants have been most suitably set in a bed of sand arranged in a specially built sand table which is on the porch of the Moreau home. There are seven different cacti and they are thriving in their "desert." The cacti were collected in Mexico on the road to Ensenada and at Lake Medina, Texas, near San Antonio, a short distance from the border.

Cacti gardens are quite popular in the west, and Mr. and Mrs. Moreau had the pleasure of visiting a collection where they were among 400 varieties of cacti from all parts of the world. Almost all of the plants have beautiful blossoms, the colors ranging from the prickly bed of thorns.

SENATOR MARSHALL SEES NEED OF MORE INDUSTRY IN STATE

Says So Before Convention
Of Members of State Federation of Labor Organization.

Declaring that Mississippi cotton sells at approximately \$100 per bale, and then after being woven is bought back again by Mississippi farmers at virtually \$3,000 per bale, State Senator Carl Marshall of Harrison county emphasized the need for industrial development in the state in a speech delivered before the State Federation of Labor convention which closed at Gulfport a few days since.

The senator declared that present Mississippi laws largely are responsible for the slowness of industrial progress in the state. The inheritance tax, which at present brings only about \$1,000 annual revenue into the state treasury; and the income tax in its present form are two examples of this condition, he said.

Characterizing Mississippi labor as far above the average, Senator Marshall declared that discriminatory laws were the only factor deterring outside capital from taking advantage of the favorable weather conditions and abundant hydro-electric power sources offered in this state.

Can't Talk To Wife, Too Cross and Nervous

Even my husband couldn't talk to me, I was so cross and nervous. Vinol has made me a different and happy woman."—Mrs. N. McCall.

Vinol is a compound of iron, phosphates, cod liver peptone, etc. The very first bottle makes you sleep better and have a BIG appetite. Nervous, easily tired people are surprised how QUICK the iron, phosphates, etc., give new life and pep. Vinol tastes delicious.

BAY RESIDENT IS REMINISCENT OF DAYS IN 60'S

Jos. E. Saucier Tells When
He Played in College
Band at New Orleans
IN 1868.

Joseph E. Saucier, for many years local J. P. and later who served in various other official capacities, including that of county sheriff and tax-collector, county assessor, in his 77th year, and residing at the home of his son-in-law and daughter, Mr. and Mrs. Chas. J. Mitchell, hale and hearty, frequently grows reminiscent, and is always at his best and his sketches from the book of memory always interesting.

He tells that in 1868 the students of St. Stanislaus College, composing the brass band, journeyed to New Orleans, by boat, and furnished music for the parade by the Fifth Ward Club, supporting Seymour and Blair national Democratic candidates.

Emile Lamarie, father of our townsman, James Lamarie, was grand marshal of the parade, and so impressed was he with the splendid music discoursed by the youths, (Saucier then only 16), and their general deportment, that he caused to have them presented with two trophies, two silver cups or vases. These were deposited at the college and were lost in the fire at that institution some years since.

The boys were quartered at the old Conti Hotel, and Mr. Saucier, says they attracted attention on every side for their ages and sizes and quality of music.

Mr. Saucier attended St. Stanislaus College during the years of 1866, 1867, 1868 and 1869. While he did not finish to the very end, he was a member of the graduating class, composed of four members, of which the late John Claverie was a member. Mr. Claverie passed away last year and was sate of Mrs. Edward A. Carver resident of Waveland beach.

Mr. Saucier looks back with much interest to the days of other times as if in reverie, living the days of former times over again in retrospection.

DEDEAUX SCHOOL RECEIVED MONDAY BY THE OFFICIALS

New Building Was Officially
Accepted from Contractors—Cost \$13,687

The new school build in Dedeaux Consolidated School district at the Harrison-Hancock line district, which has been occupied some weeks by the pupils of the school, was officially received Monday from the contractors and all final bills settled, County Superintendent D. J. Everett stated. This handsome new structure which contains 8 classrooms and a commodious auditorium cost \$13,687. There are ten grades taught at the school. The building was built not only for the present but for the future, as there are now two vacant class rooms in the building the school at present using only six of the class rooms.

As the population of the district grows these rooms will be filled with pupils.

The auditorium of the new building is as large, it is said, as all of the former school building at Dedeaux and is ample to accommodate the people of the community who attend school entertainments.

Prof. T. C. Jackson, principal, and his corps of teachers, join pupils and patrons in rejoicing over the new building.

When the building was officially received Monday those present were: County Superintendent Everett, of Hancock County, County Superintendent Geo. M. Dean of Harrison county, three school trustees, F. E. Ladner, Alex Ladner and V. C. Dedeaux, and E. E. Norwood, architect.

HANCOCK COUNTY
HUNTING SEASON
OPENS OCTOBER 15

Only About 100 Hunting Licenses Had Been Sold By Sheriff's Office Up To Monday.

Hunting season for doves, rabbits and squirrels opened officially in Hancock county Tuesday, October 15. This is the date set by the board of supervisors of the county as the opening of the season as allowed by the state law on hunting. The season for this variety of animals and birds will continue until February 1.

The season for duck opens November 1 and continues until February 1. Quail may be legally killed from November 20 to February 1. Deer and turkey may be killed under the law from January 1 to February 1.

Only a small number had secured hunting licenses up to the eve of the opening of the season, approximately 100 licenses having been sold from the sheriff's office through Monday, Deputy Sheriff Joe Bontemps stated.

LOSS OF BROTHER BRINGS SORROW

The home of Mr. and Mrs. Anthony Piazza, residing in Uman, avenue, is saddened, death having invaded Mrs. Piazza's family at New Orleans. A brother, Wm. Joseph Johnson, passed away Wednesday evening of last week, following an operation for appendicitis, which ailment was declared too late, as such. The deceased had been ill over a year and his ailment was undetermined.

He was a son of William Johnson, Sr., and Mary Schurb. He is survived by his wife and one little son, and was 38 years old at the time of his death. A number of brothers and sisters also survive him.

Mrs. Piazza was very devoted to her brother and his unexpected death was a great shock not only to her but to the entire family.

most constant pain in my back and under my shoulder blades and I became extremely nervous. I was habitually constipated and had the most terrible headaches. My tongue was coated, my complexion was sallow and I felt miserable all the time. "It's simply wonderful what Sargon has done for me. I have a splendid appetite and eat anything I want, without any ill effects. Every pain in my body has entirely disappeared and my nerves have been wonderfully strengthened. Now—about the Sargon Pills. They rid me of a stubborn case of constipation and I never have headaches like I used to. My complexion is a good healthy color again and the coating on my tongue is gone. I just feel better in every way since taking this splendid treatment."

—Mrs. Claire Slavich, secretary at present in the office of County Sup't. D. J. Everett, spent the week-end in New Orleans.

—Mr. Leo W. Seal, cashier and manager of the Hancock County Bank, was a business visitor to Jackson on Tuesday.

—Mrs. Van Court and son, Robert Van Court, are in New York City for a month's visit with Mrs. Van Court's daughter, Mrs. Helen Eart.

—The Echo has heard of several local real estate deals at present pending but none of which have progressed far enough to be given publicity at this time.

—Miss Mathilde Ladner, secretary of the Chamber of Commerce, spent the week-end in New Orleans as guest of her sister, Mrs. Fred Roemer.

—Mrs. Wallace Bontemps is working temporarily at the office of Emile J. Gex, county attorney, in the absence in New York of Robert Van Court, secretary to Mr. Gex.

—P. H. Pollard of Birmingham, spent from Thursday to Monday in Bay St. Louis, called here by the illness of his young son, Bobby, who was injured in a fall from his bicycle.

—Could anyone ask for more beautiful weather than this section has been blessed with for the past few weeks? Who has not been tried to dispute the assertion that the Mississippi Gulf Coast isn't the garden spot of the world?

—All-Saints' is drawing next and every day men and women may be seen in Bay St. Louis cemeteries cleaning burial plots and tombstones preparatory to observance of the one day in the year given over to the memory of their dear departed dead.

—Several parties charged with hunting game out of season have been arrested by Game Warden Albert Jones, all of whom have been tried and found guilty. Each of the hunters were assessed with fines of \$15.00 and costs, and it is to be hoped that all who violate the law will be apprehended and share the same fate.

—Friends of Mr. and Mrs. F. P. Cassidy will be glad to learn of the improved condition of Mrs. Cassidy to the extent she was brought from the hospital to her home in Union street Thursday morning. The patient recently underwent a major operation and her condition for a while was quite serious.

—Joe Borzik who has been connected with the Peerless Ice Cream Company's shop on North Beach Boulevard during the summer, has returned to Gulfport for the winter. The shop is now in charge of Grady O'Neal who keeps the shop open after school hours until 8 o'clock, and all day on Saturday and Sunday. While in Bay St. Louis young Borzik made many friends by his courtesy and friendliness.

—Bay St. Louis Rotarians celebrated Goodfellowship Night on Wednesday at the Hotel Weston, with a splendid attendance and a number of invited guests. The occasion was also the celebration for the winning side of a recent attendance contest. A number of outstanding stunts, proposed to the contest celebration were featured. Chas. C. Jinks, John de Armas and Dr. C. M. Shipp were on the program and Harold B. Weston, chairman of the victorious Rock-a-Chawns team presided. H. U. Carty also assisted in the program.

—E. J. Adam, Sr., President Board of Supervisors of Harrison County, spent Wednesday afternoon in our city, and honored The Echo office with a visit. When asked about the possibility of repairing or rebuilding the hip auto bridge at Pass Christian Isles, he said the development company had promised to take care of this, however, he felt the board would soon order that the shell road approaches be covered with a gravel and tar coating. President Adam has completely recovered from his recent spell of illness, we are glad to note.

Seal of North Beach Boulevard, with Mrs. A. P. Smith as joint hostess. The program for the day will be in charge of Miss Sallie Ellis and Miss Hefflin, of the Wesley House and Moore Community House, Biloxi. These fine workers will bring inspirational messages and all members are urged to be present.

MARRIED 25 YEARS

The Echo might well run a column in its recalling past events 25 years ago as well as 20 and 10 years ago, and especially pleasant is it to recall that 25 years ago Sunday, October 13, Mr. and Mrs. Claude Monti were married at Our Lady of the Gulf Catholic church. This fine citizen and his charming wife are indeed to be congratulated upon the happy 25 years which have passed them by so kindly and beautifully.

Young Colored Woman Dies

Mrs. Rita Detiege, nee Barabino, died at her home in Mobile Sunday afternoon, October 13, at 3:55 o'clock, survived by her husband and 9 children. She was a native of Bay St. Louis and was 30 years of age, and has many relatives in this city. The funeral took place Thursday morning in Bay St. Louis, Rev. Father F. X. Baites, pastor of St. Rose de Lima Church, officiating, with interment at St. Mary's cemetery. A requiem high mass at the church marking the last solemn rites.

AGAIN OCCUPY HOME

Mr. and Mrs. Alexander Allison are again occupying their home on North Beach Boulevard. Over the week-end they had as their guests their son, Will Allison, his wife and two children of New Orleans.

BOBBY POLLARD
IS IMPROVING

Bobby Pollard, 10-year-old son of Mrs. Oris M. Pollard, who was seriously injured two weeks ago when he was thrown from his bicycle, continues to improve, to the joy of the many friends of this popular young boy. He is able to sit up for brief periods. He was not considered out of danger until Saturday, suffering as he did from a possible fracture of the skull.

IS IMPROVING

Thomas R. Smith, 88-year-old resident of the Sellers community who has been critically ill at the Emergency Hospital here is improving, was able to sit up Wednesday and expects to go home, if there is no complication, Friday of this week.

C. OF C. VISITORS

Recent visitors to the local Chamber of Commerce include: Harry D. Shannon of New Orleans, Texas-Pacific railroad agent; Drs. Leeds and Leeds of Chicago; Mrs. Sarah W. Malcolm of Washington who is making a tour from her home to Texas, stopping at many places en route. Mrs. Malcolm expressed her pleasure in the Coast which she saw by motor trip.

Arrested and Sentenced.

Lander Necaise, deputy sheriff and constable for the Kiln district, on Thursday, at the Kiln, arrested "Dago" McMillan, negro, while attempting to steal a tire from an automobile while parked in a garage. He was tried the same day on the charge of petty larceny before Judge Frutas Fuentes and fined \$50.00 and 60 days in the county jail. McMillan has a brother who recently served time for similar offense and Judge Fuentes is determined to break up this practice.

GRAPEFRUIT ORCHARD IN
WAVELAND

The Rood orchard and gardens, rear of Waveland, are just now unusually pretty and interesting, and Mrs. J. H. Rood, owner and general manager, is justly proud of the success that has come to her perseverance and attention.

There are many trees just now burdened with grapefruit, a number of trees carrying over 300 of the delicious fruit. This speaks well for soil and climate of this section, and well evidences what can be done here with the proper attention. A cluster alone will carry from six to a dozen grapefruit. In fact, this orchard is the finest we have seen in this section for its size.

(By Our Society Editor)

MR. SKATVOLD GIVEN
BIRTHDAY SURPRISE.

A most delightful birthday surprise was tendered C. L. Skatvold Monday night when the ladies of the Saturday Evening Players entertained for him at a dinner party and bridge at the home of Mr. and Mrs. Chas. G. Moreau. Mrs. Moreau dressed her dining room in charming manner for the evening, the table with its snowy cloth of Mexican crownwork and service of blue and white imported English china, and center piece of pink rose of montana and fern, being especially attractive. Handsome dahlias from Mrs. Moreau's garden dressed the reception rooms. Place cards carried little hymns, suited to each. After the dainty course dinner delighted favors were distributed, each with a rhyme. The piece de resistance was the large birthday cake with its candles. Gifts for the honor guest were presented by the friends present. After dinner cards were the diversion, the prizes being won by Mrs. Buckley and Mr. Skatvold. Those present were Mr. and Mrs. C. L. Skatvold, Mr. and Mrs. K. W. Pepperdene, Dr. and Mrs. J. C. Buckley and Mr. and Mrs. Chas. G. Moreau.

REDECORATE ROOM
FOR BREAKFAST USE.

A particularly attractive room has been created at the home of Mr. and Mrs. Chas. G. Moreau of Carroll ave., as a breakfast room. This room has been completely redecorated. The walls have been done in cream to harmonize with the dining room. All woodwork has been painted in keeping with the general tone. Cream colored screen for the stove alcove and tiny built in closet have been painted the same color.

The windows have been happily treated, there having been an additional window arranged to the side. The shades are specially designed in the popular new blue flowered fabric and the curtains of white are edged with the blue flowered design. The floor is covered with tile design linoleum.
